KEITH & STEPHENSON SELL TWO MORE CARS

Keith & Stephenson, local automobile dealers, sold an Oakland Six touring car to Miss Emma W. Bramel of Orangeburg and a Dodge touring car Friday. Mr. Elmore Hiddle purchased a Dodge touring car on Thursday. This firm has been making some splendid sales records on cars during the past few weeks.

CALLED TO DETROIT

Mr. and Mrs. John Nelson Trapp, who have been here for about two weeks on their honeymoon, were called back to Detroit this morning by the death of Mrs. Trapp's sister, Miss Irene Gessner, who passed away at her home in Detroit Friday after a short illness with brain fever.

Cecilie Marie, little daughter of Mr. Lawrence L. Williams, had the misfortune to run a long nail into her foot Thursday about noon and she has been suffering considerably from it.

MRS. SARAH LALLEY

Well-Known Mayville Resident Passes Away at Her Home on Lindsay Street on Friday Night.

Mrs. Sarah Lalley, aged 77 years, died Friday night about 9 o'clock at her home on Lindsay street after a short illness of heart trouble.

Deceased was born in County Galway, Ireland, and came to Mayville to make her home when quite a young girl and has lived here since that time. Her husband, Mr. William Lalley, preceded her to the grave about sixteen years ago. She is survived by four children, three daughters and one son—Mrs. Thomas Comer of the county, Mrs. Ella Lawrence, Miss Nannie Lalley and Mr. Thomas Lalley of this city.

The funeral will be held Monday morning at 9 o'clock from St. Patrick's church. Burial in the Washington cemetery.

WALTER J. MILLARD'S SPEAKING DATES

Mr. Walter J. Millard will speak on Woman Suffrage in Mayville and other points in Mason county, May 19, 20 and 21, and in Flemingsburg on County Court day Monday, May 22. These several dates recall the story of the river captain for a family, which had lost its all, during one of the floods of the Mississippi river. As Bishop Dudley was taking up a collection for the destitute family, an old time Captain of a Mississippi steamer was called upon to pray. He prayed: "Oh, Lord we beg you to care for this destitute family: Lord send them clothes to cover them and provisions to feed them, send them a barrel of flour, and a barrel of meal, and a barrel of potatoes and a barrel of lemons and a barrel of salt, and a barrel of pepper—Oh Lord, that's too d—much pepper."

In view of these several appointments for Mr. Millard to speak the story seems apropos. Go and hear him and you will not paraphrase the prayer of the Mississippi Captain. You will not have had too much of Millard, but will want more.

Mr. Millard is a man of versatile talents. He is a writer of both prose and verse. He has worked at many sorts of trades and is by profession an electrical engineer. Working men and members of labor organizations should hear him.

He is a man of wide range of experience and his conclusions regarding life and its duties are worth hearing. For the present he has given up his business for the lecture platform and to work in reform movements.

It was the first game of the season for the home boys and they were weak at the bat, but played a good game in the field. The features of the game were the batting of Leo, who seemed to have home runs for the victors, and the pitching of Peters who fanned nineteen of the M. H. S. batsmen. Mayville will play a return game at Flemingsburg on Friday afternoon, May 26.

The score follows:
Flemingsburg ... 2 1 1 0 0 0 0—4

THE MEXICAN COMPROMISE

The agreement reached between the Administration and Mexico appears to be closely along the lines indicated in these letters a week ago. Concessions are made to Carranza's pride. The pursuit of Villa is to be entrusted to the Carrancistas, who will prosecute it with as much or as little vigor as they may see fit, and the American troops will be withdrawn from Mexico when Northern Mexico has been so far cleared of bandits as to make a reputation of the Columbus raid improbable, perfectly possible to decide that it has been attained at any time. The fact that those best informed on the situation may not believe that any such situation has been accomplished at the time Mr. Wilson decided to withdraw the troops will have no effect other than to exhibit a difference of opinion. Military authorities in Washington are convinced that the agreement is wholly unsatisfactory to General Funston, but they appreciate that he must, under military discipline subordinate his judgment to his chief, General Scott, while General Scott must subordinate his views to Mr. Wilson. That the agreement is a distinct backdown on the part of the Administration, which when it went into Mexico formally announced that the expedition would not be abandoned until Villa was captured, cannot be truthfully denied; but relying on the shortness of the popular memory it doubtless will be emphatically denied by the Administration's supporters. That this backdown will serve to convince the Mexicans that this country is afraid of them and make them more difficult to deal with is also the conviction of those familiar with the Mexican character.

IRISH EDITOR WAS NOT ACCORDED TRIAL AFTER TRYING TO STOP REVOLT

London, May 11—Mrs. F. Sheehy Skillington, widow of the Irish editor, in a further statement today, declared that her husband, at the risk of his own life, went to the rescue of a wounded officer outside of Dublin Castle, on Easter Monday afternoon, the crowd being afraid to venture near. When he arrived at the spot, he found that soldiers already had taken the officer away.

Skillington was arrested, his widow's statement continues, although unarmed and unresisting, and on Tuesday was taken to Portobello barracks and shot without a trial, no priest being summoned to attend him. Mrs. Skillington declares that her statement can be corroborated by other witnesses. Her husband, she says, was the victim of a gross miscarriage of justice under guise of martial law. He took no part in the rebellion and tried to prevent looting and was shot without pretense of a trial. When she last saw her husband alive, he had called a meeting to stop the looting and was waiting to see if anyone would attend it.

From private sources Mrs. Skillington says she received the following account of her husband's death:

Mr. Skillington refused to be blindfolded and met death with a smile, saying that the authorities would find after his death what a mistake they had made. He put his hand to his eyes and a bullet passed through his head and into his brain.

The widow declares that she received no notification of her husband's death, and that she was refused any information concerning him.

On Friday night following the execution of her husband, a large military force, according to Mrs. Skillington, surrounded her residence, fired without warning on her windows, burst open the doors and placed her and her son, aged seven, under arrest and for three hours ransacked the house. Three days later they again raided the house and made prisoner of her maid, who was detained for nearly a week.

RECORD OF THE PAST

No Stronger Evidence Can Be Had In
Maysville

Look well to their record. What they have done many times in years gone by is the best guarantee of future results. Anyone with a bad back; any reader suffering from urinary troubles, from kidney ills, should find comforting words in the following statement.

Mrs. John Burns, Maysville, says: "I was subject to severe spells of backache and kidney trouble. They came on every three or six months and at times I was confined to bed and almost helpless. I used Doan's Kidney Pills and they gave me quick benefit. Since then when I have noticed slight return attacks of backache, I have used Doan's Kidney Pills and they have never failed to quickly check the trouble."

OVER SEVEN YEARS LATER Mrs. Burns said: "The statement I gave before praising Doan's Kidney Pills still holds good. I know that this medicine acts as represented."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns has twice publicly recommended. Foster-Milburn Co. Props., Buffalo, N. Y.

A full report is expected from each member. Dinner will be served in the basement by Mrs. Perkins and Miss Strawder. Revs. J. D. Walker and W. R. Scott will assist in conducting these services. Strangers and visitors are welcome.

R. JACKSON, Pastor.

Christian Church

All services will be held in the Growers Warehouse. There will be a little change in the order. The Bible School will commence its services there with all the departments there at the usual hour of 9:30. The children as well as the grown persons will be expected in large numbers. All the classes except those of the Primary and Beginners departments will be assembled in the main room. Mr. Herbert Youell will give an illustrated talk before the whole school at a little past ten. Mr. Vearsley will conduct the opening exercises. Those who were present in this school last Sunday are invited back again. The attendance should be above the average.

The church service will be brought forward to accommodate the larger number who attend the school. Those coming to the morning church service should be there by ten o'clock, as Mr. Youell will make but the one address in the morning. The communion service will begin at eleven o'clock, following Mr. Youell's talk in the morning. At three o'clock in the afternoon there will be a meeting for women only. Mr. Youell will speak on the "War of the Sexes."

In the evening at 7:30, there will be a great mass meeting.

The people of the city and county are invited to these services. A special officer will guard the autos parked on a popular street.

RE CROSS SOCIETY TO SERVE AT CONFEDERATE REUNION

Birmingham, Ala.—The American Red Cross Society has granted permission for thirty nurses to serve in Birmingham during the reunion of the Confederate army according to an announcement made yesterday by the committee of physicians in charge of the relief to be adopted during the reunion in this city. Permission was secured from the Washington authorities by the local officers of the Red Cross Society. It was announced by Dr. J. D. Heacock, chairman of the committee, that there would be two hospitals arranged for the convenience of the Veterans while in Birmingham. One of the hospitals will be convenient to the Bijou Theater where the business councils will be held. It will be in charge of thirty-six physicians and fifteen trained nurses. The other hospital will be maintained at the state fair grounds, where it is expected 6,000 former fighters under General Robert E. Lee, will be encamped during the reunion. The fair grounds hospital will have thirty-six physicians and fifteen nurses. This crew will work in shifts so that there will be a sufficient number of physicians and nurses on hand for any emergency. It was given out yesterday that all of the hospitals in Birmingham had made voluntary offers to the committee in charge of the relief measures for the full use of the hospitals for any number at any time. It is believed that such efficiency work will be achieved at the two base hospitals that little use will be found for the permanent hospitals of Birmingham. The work of the relief committee has been completed. It is hoped that little service will be exacted of the hospitals, but plans have been completed for the best and most expeditious service from the whole staff of physicians and nurses.

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months. I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardul, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardul is the best medicine in the world. My weight has increased, and I look the picture of health.

If you suffer from any of the ailments peculiar to women, get a bottle of Cardul today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

FLOSSY OPENING

Planned For all Portsmouth Today Expect To Break All Previous Records in Attendance.

(Portsmouth Times)
Now then for the first game in Portsmouth.

It will be played in Millbrook Friday with the scrappy Maysville Blue Jays as the attraction.

The opening first day festivities, the tossy stuff, has been saved for Saturday when practically all of the plants in the city will be idle and the employees will get a chance to attend the first 1916 league game in Millbrook this season.

There is no longer any doubt but what a great season is ahead of the Portsmouth club as keen interest has been manifested in the new team and splendid attendance is looked for throughout the baseball year.

The initial appearance of the Cubs in Millbrook tomorrow will no doubt attract a whole flock of fans to the park and a new attendance record is looked for on Saturday.

On Saturday a parade over the principal streets will be held and Maysville and Portsmouth ball players dotted up in their new uniforms, officials of the club and city officials and possibly President Joe Carr of the league, will be in the baseball pageant. President Carr has notified William Gableman that he will bend every energy to get here for Saturday's big doings in the local baseball world.

The parade will form at the Washington hotel and it will disband at Ninth and Waller streets, where members of the River City band will board street cars for Millbrook park. The ambitious athletes, both home and abroad, will ride in automobiles and President Gableman expects to arrange a lot of little frills for the parade between now and Saturday.

At the ball yard Mayor Kaps will be asked to deliver a short speech on the great game and he will be followed by Mayor Davis of New Boston. The athletes will line up in center field and headed by the River City band will march to the plate, where they will line up and listen to the short talks of Mayors Davis and Kaps.

Mayor Kaps will toss out a new ball and the game will be on.

SCOTT-OBREGON MEETING RESULTS IN FAILURE

El Paso, Texas, May 11—After almost two weeks of discussion the conferences of Generals Hugh L. Scott, Frederick Funston and General Alvaro Obregon, Mexican Minister of War, over American troops dispositions in Mexico came to an end tonight without any agreement being reached.

The whole matter was referred back to the American and de facto governments to be settled through diplomatic channels.

Tonight the situation is almost agreement with the American conferences. He has been overruled by the first chief, Venustiano Carranza and his advisers. After practically conceding the demands of the American conference, he was compelled to reverse his attitude.

The end of the negotiations came today after two conferences had been held. The first began at ten o'clock in the morning and lasted until one p. m. when a recess was taken until four o'clock. Sharp on the hour the discussions were resumed. After two hours and a half, they were brought to an end. General Obregon, accompanied by Juan N. Amador, Mexican Sub-secretary of foreign affairs, emerged from the private car occupied by Generals Scott and Funston, walked rapidly down the railway yards, climbed into his waiting automobile and drove away.

MOHE MEXICAN PLOTTERS ARRESTED

Corpus Christi, Texas, May 11—Two more arrests were made today in the investigation of an alleged plot which had for its object a Mexican uprising in South Texas, simultaneous with similar disturbances in Arizona and New Mexico.

Aulario Valdez, editor of a Mexican paper at Kingsville, and Victoriano Ponce, a merchant, were taken into custody today by officers of the Department of Justice. Colonel Morin said to be former Villa officer, who was arrested last night, is in jail at Kingsville. The Federal officers who arrested him, said Morin would be charged with conspiracy and sedition as the active head of the alleged plot.

Morin was heavily armed and important papers were said to have been found in his possession. He resisted arrest, but was overpowered.

Additional arrests are expected in connection with reported plot for a Mexican uprising in Texas, Arizona and New Mexico, it was learned here today.

The uprising, in which Colonel Morin is said to be the leader, was originally set, it is said, for May 5 and then postponed until May 10 and further postponed because of lack of funds.

According to agents of the Department of Justice here, Morin is said to have 1,000 followers scattered through the three states. It was planned to cut telephone and telegraph lines, destroy railroads and attempt to capture certain towns.

KNOWLEDGE OF CARVING AND PLEMBING ESSENTIAL TO JOY'S WEDLOCK

In the June Woman's Home Companion a writer thoroughly trained in a domestic way says:

"We hear all the time about homes being wrecked by the inability of the man. A young man at the mercy of his plumber, and who wields a carving knife as if it were a clam hoe isn't fit for marriage."

TAX ON HOPE

"I wouldn't mind paying a tax on my income if I had one," said the newspaper post, "but I do object to paying a tax on my hopes. That's what it amounts to when I pay postage on the manuscript I send out to editors."

A WOMAN'S APPEAL

To all knowing sufferers of rheumatism, whether muscular or of the joints, sciatica, lumbago, backache, pains in the kidneys or neuralgia points, to write to her for a home treatment which has repeatedly cured all of these troubles. She tells it her duty to send it to all sufferers FREE. You cure yourself at home, as thousands will testify, on danger of disease being necessary. This simple discovery banishes uric acid from the blood, loosens the stiffened joints, purifies the blood and restores the nerve, giving elasticity and tone to the whole system. If the above interests you, for proof address Mrs. M. SUMNER, Box K, South Bend, Ind.

THE JUNE WOMAN'S HOME COMPANION

The June issue of the Woman's Home Companion is called "The Bride's Number." It contains a large amount of material adapted to households where June weddings will be celebrated, and short stories that deal with June brides. Among the short stories are "Millingham Decides," by Ellis Parker Butler, "The Devious Enticement," by Mary Weston Vorse, "The Mirror," by Margaret Spaulding, "Pink Satin Slippers," by Gertrude MacNulty Stevens, and "The End of the Reel," by Mary Hastings Bradley.

Margaret Deland, Sophie Kerr and Fannie Henkle Lea continue respectively the three big serials, "The Rising Tide," "The Blue Envelope" and "Closely Malone."

The special articles include: "How I Made a Good Husband of My Son," "Mother Joins the Firm," "The Finer Points of Honey-mooning," "Oh, the Poor Farmer's Wife!" "The Lover and His Lass," and there are other articles in the regular departments.

In the department called "Better Films" is an interesting interview with the great actor and stage manager, Sir Herbert Beerbohm Tree. He says that Shakespeare would probably write for the movies if he lived today—and tells us why. Other departments are "The Woman Motorist," conducted by C. H. Laudy, the automobile expert, "Better Babies," "Your Son's Career," conducted by a successful business man, "The Exchange," "Entertainment," etc.

Fashions are discussed by Grace Margaret Gould. The also Gravure section contains many attractive illustrations including the results of the prize photograph contest entitled "Children at Play." There is a large amount of practical and interesting material in the section for younger readers and the section on handicraft. As a whole, the June issue of the Woman's Home Companion is an unusually bright and attractive number.

CHANCELLOR WOULD HAVE RECOMMENDED WAR WITH AMERICA

London, May 11—What purports to be a summary of the speech of Dr. Von Bethmann Hollweg, the German Imperial Chancellor, at the secret sitting of the general committee of the Reichstag on May 5, concerning Germany's reply to America, is published by the wireless press today, under a Bern date. The wireless press states that the following remarks by the Chancellor may be accepted as unquestionably authentic:

"I have said before that we must drop all sentimentality. I repeat that with regard to our dispute with America, our self respect was wounded by the aggressive wording of the American note to Germany. Our feelings urge us to repel this interference with our legitimate methods of warfare, and tell America to mind her own business, but considerations of policy compel us to subordinate patriotic reason. We must be guided, however, not by our feelings, but by the coolest judgment."

"We have one aim and one duty, namely, to win the war; therefore any policy which endangers our victory must be avoided. The overwhelming majority of opinion regards a rupture of relations with America as a grave peril."

"A great mistake has been committed in overestimating the value of the submarine campaign against England. Our naval officers no longer believe in the probability of reducing England to starvation and ruin by submarines even if the war lasts another two years. It is true that these instruments can inflict a frightful amount of damage, but this damage would be insufficient to outweigh the danger to ourselves of America's hostilities."

"It is folly to underestimate the consequences of a conflict with America, nor should we risk only America's enmity. Our information leads us to believe that other neutrals might follow America's lead."

"The Imperial government has weighed every factor and is convinced of the necessity of avoiding a breach with America."

FREQUENTLY THE LATTER

"Poetry should be written on one side of the paper, shouldn't it?" asked the huddling bard.

"That depends on the poetry," replied the editor, wearily. "Lots of it shouldn't be written on either side."

That new, black—"Barefoot" Rubber!

ONE of its most valuable characteristics, for Tire (and Shoe) purposes, is its CLING quality—its tenacious grip on smooth and slippery surfaces.

Through that it gives its maximum Traction with a minimum of Friction.

When you put on the Brakes to stop the Car, or throw in the Clutch to start the Car, the Tires made of this black "BAREFOOT" Rubber instead of grinding against the ground for Traction, CLING to it, as your bare foot would cling to a slippery floor.

That's why we've finally christened it, and trademarked it, as "Barefoot" Rubber.

Get a sliver of it, from any Goodrich Branch or nearest Dealer.

You'll find it stretch almost as much, and return to shape almost as instantly, as a pure Rubber band.

Weigh a Goodrich "Barefoot" Tire of any size against the corresponding size of other makes of Tire, and you'll find it many pounds lighter, though many "Miles" stronger.

Drive it, and you'll find in Goodrich "Barefoot" Tires a liveliness, a quick response to power, a tenacity of traction,—and all this with a Mileage capacity which will surprise and delight you.

WE developed this "Barefoot Rubber" primarily for use in our now famous "Silver-town Cord" Tire which, last year, showed such marvellous ENDURANCE on the Race Track, at over 100 Miles per hour.

But we now make it into Goodrich FABRIC Tires, —Goodrich Inner Tubes,—Goodrich Motor-Cycle Tires, —Goodrich Truck Tires,—Goodrich Bicycle Tires,—Goodrich Rubber Boots, Overshoes, Soles and Heels, as well as into Silver-town Cord Tires.

Because,—in all of these its characteristics of "Cling,—Spring,—Stretch,—Strength,—and Lightness" are first requisites.

Now, compare GOODRICH Fair-List prices with prices you are quoted for same size Tires of other Brands, that have not the wonderful Resilience and Cling-quality of this new black "Barefoot" Rubber, which can be had in no other Tires than those made by—

STEREOPTICON USED IN YEUILL MEETINGS

Those present at the Yeuill Meetings in the Growers Warehouse were treated with a surprise last night when for the first time in the meeting the Stereopticon was used. The song, "The Holy City" which Mr. Yeuill sang was illustrated by a series of high colored pictures. These pictures thrown on a screen which hangs over the platform, were remarkably clear. Another surprise to some was the presence of the Maysville Band. They rendered several selections which were heartily applauded. Mr. Yeuill had for his subject, "The Cry of the Grouch". This proved to be but another way of saying that what David said viz., "No man cares for my soul." He emphasized the fact that there are many who assume the spirit of the man with a grouch, because they think no one is interested in them. He made a comparison of the interest Satan has in men and the interest Christ has in men. His appeal to the man who is indifferent to religion was both eloquent and powerful. He insisted that the purpose of these meetings was not to make church members but to help people to become Christians.

There were present people who had come from outlying districts to attend these meetings. The one coming the farthest was Dr. O'Hanlon of Mt. Carmel.

Tonight, Mr. Yeuill will give his special illustrated chauntanga lecture on "Sunny Italy and Her Romance". Mr. Yeuill will sing and the Maysville band will play.

The special woman's meeting will be held at 8 o'clock on Sunday afternoon. This will be for women only. This being Mothers' Day the meeting should be well attended. The theme is "The War of the Sexes".

At ten o'clock Sunday morning, in the tabernacle Mr. Yeuill will preach on the theme "Meet Me at the Fountain." Provisions are being made to accommodate an exceptionally large attendance on Sunday.

CHARITY DANCE

By the melodious strains of Goodwin's Trio some sixty or more couples enjoyed the Charity Dance given by the Settlement Club in the Masonic Temple Friday night. Many out of town visitors were present among whom were Mr. and Mrs. Samuel Bush, Flemingsburg; Miss Hatfield, Owensboro; Miss Wilson, Miss Steele, Paris; Miss Hood, Flemingsburg; Miss Piger, Mayslick.

On account of the absence of Rev. John Barbour, who will deliver the baccalaureate address to the Vanceburg High School graduates Sunday night, there will be no Sunday preaching services at the First Presbyterian Church.

The Mason County Building Association Friday elected Mr. Ferdinand Hechinger as a director of that institution to succeed his father, the late Colonel David A. Hechinger.
